

Exploration and Curiosity in Spirituality

Waxing Soul Episode 45

Do Your Inner Work

Know yourself so you are more in touch with your intuition and inner compass.

Have a Network

Know who to turn to when you have questions or need a different perspective

Seek Inspiration

Connect with others who are curious and willing to explore.

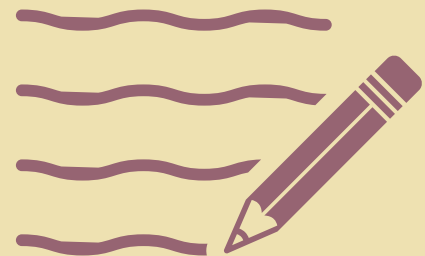

Follow Your Intuition

Don't wait for permission to explore things that catch your attention.

Question Things

Think about why things exist, where they come from, and ask the hard questions.

Jump In

Reading and research is great, but real exploration means taking action.
